Dear PRITHULOMA BALAN of [SRM Institute of Science and Technology](#)

Greetings from **Shiksha Vertex, in collaboration with Microsoft.**

This is to formally inform you about a **Summer Internship and Training Program** being extended to students of the [SRM Institute of Science and Technology](#) in association with Microsoft and supported by reputed industry and academic partners, including **Deloitte, KPMG, Amazon, Goldman Sachs, NIT, VIT, BIT, SRM, DYP, and Wipro.**

As the institutional outreach for the Summer Campaign at your college is nearing completion, interested students are advised to submit their application to proceed with further academic and program-related discussions with the designated student counseling team.

Registration Information

- **Available scholarship registrations:** Limited (04 slots remaining)
- **Application Form:**

[PROCEED WITH THE APPLICATION](#)

Important Note:

Training fees are applicable for this program.

Eligible candidates may avail a **50% fee concession** on the base training fee by applying the **Scholarship Code: SRM@06**, subject to verification.

Program Structure

Mode of Delivery: Online

Program Duration: 2–3 Months

Month 1 – Academic & Technical Training

- Live sessions conducted by industry professionals
- 4–5 interactive sessions per week
- Structured theoretical and practical instruction

Month 2 – Project-Based Learning

- Application of learned concepts through guided projects
- Minor Project (Individual – 7 days)
- Major Project (Group – 21 days)

Month 3 – Career Readiness Support

- Placement assistance based on performance evaluation
- Resume preparation, mock interviews, and professional development sessions

Program Benefits

- Lifetime access to recorded sessions via LMS
 - Structured resume and interview support
 - Membership in the Shiksha Vertex Growth Community
 - Practical exposure through real-time, mentor-guided projects
 - Career opportunities through hiring partners, subject to performance
-

Certifications Offered

- Internship Completion Certificate (AICTE & MSME co-branded)
 - Course Completion Certificate from Shiksha Vertex (ISO Certified)
 - Letter of Recommendation (performance-based)
 - Excellence Certificate (merit-based)
-

Commencement

Flexible start dates are available, allowing students to select a schedule compatible with their academic commitments.
